### **Inspiration for Picnic Wedding Hampers**

- Hampers can be set up on tables / on crates next to tables / or in a stack for guests to help themselves to with picnic blankets
- It may be a good idea to nominate **hamperteers** to open the hampers and lay the food out on the tables – having aprons on chairs / or chef hats on place settings is a good way to announce this, They can also take the role on of putting all the rubbish back into the hampers ready for sorting later.
- Arrange to have drinks in the hampers and then place any glassware on the tables
